

The image shows the interior of a modern garage. The ceiling features a large glass skylight supported by a network of dark brown steel beams. The walls are a light, neutral color, and the floor is a smooth, light grey concrete. On the left, there is a window with a black frame. In the center, a set of double glass doors with black frames leads outside. On the right, there are two arched windows with black frames, offering a view of greenery and a brick building. The overall atmosphere is bright and industrial.
